PROJECT SUMMARY:

The Coeur d'Alene Tribe Department of Education in collaboration with North Idaho College, Lewis Clark State College Lewiston/Coeur d'Alene, University of Idaho Moscow/Coeur d'Alene and other colleges are developing and strengthening the Tribe's workforce to meet the present and future professional occupational needs of the Coeur d'Alene Tribe.

PROJECT OBJECTIVES:

- Develop career pathway maps for the Tribe's sixteen career clusters.
- Further develop career and technical education courses for high school students.
- Implement a career and technical education workshop for youth and Adult Basic Education students to include job shadowing, internships or quality assistance into a postsecondary program.
- Implement a career and technical career workshop for adult Tribal Members and provide assistance for entering workforce and post secondary programs.
- Provide critical ongoing on-site training for Tribe's businesses.
